# E2E CASE MANAGEMENT

Our Approach

End-To-End Case Management (E2E CM) is delivered as a system-wide, seamless, person-centric, goal and outcome focused approach, enabled by iSAFE.

Focus on connecting and safely reintegrating with community

Planned and coordinated transition and resettlement

Reduce Re-offending

Enhance outcomes by recognising diversity and individual need.

Promote information sharing and teamwork

Our Vision
A safer community by protecting the public and reducing reoffending

Focus on desistance and ensure direct engagement in planning for the future

Promote seamless service delivery

iSAFE supports a system-wide case management approach

Reduce duplication and increase practice consistency
